Brian J. Schall, Esq., being duly sworn, deposes and says:

1. I am the Founding Partner of The Schall Law Firm ("Firm"). I am submitting this affidavit in support of the application for an award of attorneys' fees and expenses/charges ("expenses") in connection with services rendered in the above-entitled action.
2. This Firm is a member of the Executive Committee of Plaintiffs' Counsel.

3. The information in this affidavit regarding the Firm's time is taken from time reports and supporting documentation prepared and/or maintained by the Firm in the ordinary course of business. I am the partner who oversaw and/or conducted the day-to-day activities in the litigation and I reviewed these reports (and backup documentation where necessary or appropriate) in connection with the preparation of this affidavit. The purpose of this review was to confirm both the accuracy of the entries as well as the necessity for, and reasonableness of, the time committed to the litigation. Based on this review, I believe that the time reflected in the Firm's lodestar calculation herein is reasonable and was necessary for the effective and efficient prosecution and resolution of the litigation.

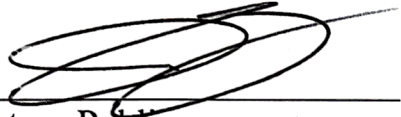

4. The number of hours spent on the litigation by my Firm is 22. A breakdown of the lodestar is provided in Exhibit A. The hourly rates shown in Exhibit A are consistent with hourly rates submitted by the Firm in other securities class action litigation. The Firm's rates are set based on periodic analysis of rates charged by firms performing comparable work both on the plaintiff and defense side. Different timekeepers within the same employment category (*e.g.*, partners, associates, paralegals, etc.) may have different rates based on a variety of factors, including years of practice, years at the Firm, years in the current position (*e.g.*, years as a partner), relevant experience, relative expertise, and the rates of similarly experienced peers at this Firm or other firms.

5. The identification and background of my Firm and its partners is attached hereto as Exhibit B.
