ACTION.	:	FILED ON BEHALF OF

	X	APPLICATION FOR AWARD OF
		ATTORNEYS' FEES AND
		EXPENSES

Brian Calandra, Esq., being duly sworn, deposes and says:

1. I am Of Counsel the firm of Pomerantz LLP ("Pomerantz" or the "Firm"). I am submitting this affidavit in support of the application for an award of attorneys' fees and expenses/charges ("expenses") in connection with services rendered in the above-entitled action.

2. This Firm is lead counsel in *In re DouYu International Holdings Limited Securities Litigation*, CA No. 1:20-cv-07234 (DLC) (S.D.N.Y.) (the "Federal Action") for plaintiffs Li Yunyan and Heng Huang (the "Federal Plaintiffs"). The Firm has been assisted in litigating the Federal Action by The Hao Law Firm, Beijing Hao Junbo Law Firm, Rom 3-401 No.2 Building, No. 1 Shuangliubei Street, Beijing, PR China 100024, 0086 137 18052 888, and has entered into an agreement with The Hao Law Firm to share fees recovered in this action.

3. The information in this affidavit regarding Pomerantz's time and expenses is taken from time and expense reports and supporting documentation prepared and/or maintained by the Firm in the ordinary course of business. I am the attorney who oversaw and/or conducted the day-to-day activities in the litigation and I reviewed these reports (and backup documentation where necessary or appropriate) in connection with the preparation of this affidavit. The purpose of this review was to confirm both the accuracy of the entries as well as the necessity for, and reasonableness of, the time and expenses committed to the litigation. Based on this review, I believe that the time reflected in Pomerantz's lodestar calculation and the expenses for which payment is sought herein are reasonable and were necessary for the effective and efficient prosecution and resolution of the litigation.

4. The number of hours spent on the litigation by Pomerantz is 850.19. A breakdown of the lodestar is provided in Exhibit 1. The lodestar amount for attorney/paralegal (or attorney/paraprofessional) time based on the Firm's current rates is \$571,035.85. The hourly rates shown in Exhibit 1 are consistent with hourly rates submitted by the Firm in other securities class action litigation. The Firm's rates are set based on periodic analysis of rates charged by firms performing comparable work both on the plaintiff and defense side. Different timekeepers within the same employment category (*e.g.*, partners, associates, paralegals, etc.) may have different rates based on a variety of factors, including years of practice, years at the Firm, years in the current position (*e.g.*, years as a partner), relevant experience, relative expertise,

and the rates of similarly experienced peers at this Firm or other firms. For personnel who are no longer employed by the Firm, the “current rate” used for the lodestar calculation is based upon the rate for that person in his or her final year of employment with the Firm.

5. My Firm seeks an award of \$104,145.05 in expenses and charges in connection with the prosecution of the litigation. Those expenses and charges are summarized by category in Exhibit 2.

6. The following is additional information regarding certain of these expenses:

(a) Filing, Witness and Other Fees: \$24,331.00. These expenses have been paid to the Court for filing fees and to attorney service firms or individuals who served process of the complaint or subpoenas. The vendors who were paid for these services are Shreefer Law Firm, LLC and LegalEase Inc., as set forth in Exhibit 2.

(b) Transportation, Hotels & Meals: \$2,650.34. In connection with the prosecution of this case, the Firm has paid for travel expenses. The date of each trip is set forth in Exhibit 2.

(c) Experts/Consultants/Investigators: \$66,293.59.

(i) OnPoint Investigations: \$4,230.78, for identification and interviews of confidential witnesses in support of allegations in the complaint in the Federal Action.

(ii) Paladin Associates GmbH: \$27,330.00, for identification and interviews of confidential witnesses in support of allegations in the complaint in the Federal Action.

- (iii) Blackpeak Inc.: \$13,338.81, for identification and interviews of confidential witnesses in support of allegations in the complaint in the Federal Action.
- (iv) Fideres Partners LLP: \$1,100.00, for expert services in assessing damages in the Federal Action.
- (v) Forensic Economics Inc.: 1,407.75, for services in connection with obtaining analyst reports concerning DouYu International Holdings Ltd.
- (vi) Friedman LLP: 10,346.25, for expert accounting services in developing allegations in the complaint in the Federal Action.
- (vii) Stanford Consulting Group Inc.: 8,540.00, for expert services in assessing damages in the Federal Action.

(d) Photocopies: \$343.45. Each time an in-house copy machine is used, our billing system requires that a case or administrative billing code be entered.

(e) Online Legal and Financial Research: \$4,124.86. This category includes vendors such as Westlaw, LexisNexis, and PACER. These resources were used to obtain access to SEC filings, factual databases, legal research, and for cite-checking of briefs. This expense represents the expense incurred by Pomerantz LLP for use of these services in connection with this litigation. The charges for these vendors vary depending upon the type of services requested.

(f) Mediation Fees: \$3,811.91. These are the fees of the mediator, Robert Meyer, Esq. of JAMS, who conducted multiple mediation sessions leading to the settlement of the litigation.

7. The expenses pertaining to this case are reflected in the books and records of this Firm. These books and records are prepared from receipts, expense vouchers, check records, and other documents and are an accurate record of the expenses.

8. The identification and background of my Firm and its partners is attached hereto as Exhibit 3.

Securities Litigation

Significant Landmarks

In re Petrobras Sec. Litig., No. 14-cv-9662 (S.D.N.Y. 2018)

On January 3, 2018, in a significant victory for investors, Pomerantz, as sole Lead Counsel for the class, along with Lead Plaintiff Universities Superannuation Scheme Limited (“USS”), achieved a historic \$2.95 billion settlement with Petróleo Brasileiro S.A. (“Petrobras”) and its related entity, Petrobras International Finance Company, as well as certain of Petrobras’ former executives and directors. On February 2, 2018, Pomerantz and USS reached a \$50 million settlement with Petrobras’ auditors, PricewaterhouseCoopers Auditores Independentes, bringing the total recovery for Petrobras investors to \$3 billion.

This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

The class action, brought on behalf of all purchasers of common and preferred American Depositary Shares (“ADSs”) on the New York Stock Exchange, as well as purchasers of certain Petrobras debt, principally alleged that Petrobras and its senior executives engaged in a multi-year, multi-billion-dollar money-laundering and bribery scheme, which was concealed from investors.

In addition to the multi-billion-dollar recovery for defrauded investors, Pomerantz secured precedent-setting decisions when the Second Circuit Court of Appeals squarely rejected defendants’ invitation to adopt the heightened ascertainability requirement promulgated by the Third Circuit, which would have required plaintiffs to demonstrate that determining membership in a class is “administratively feasible.” The Second Circuit’s rejection of this standard is not only a victory for bondholders in securities class actions, but also for plaintiffs in consumer fraud class actions and other class actions where documentation regarding Class membership is not readily attainable. The Second Circuit also refused to adopt a requirement, urged by defendants, that all securities class action plaintiffs seeking class certification prove through direct evidence (i.e., an event study) that the prices of the relevant securities moved in a particular direction in response to new information.

Pirnik v. Fiat Chrysler Automobiles N.V. et al., No. 1:15-cv-07199-JMF (S.D.N.Y)

In August 2019, Pomerantz, as Lead Counsel, achieved final approval of a \$110 million settlement for the Class in this high-profile securities class action. Plaintiffs alleged that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with “defeat device” software designed to cheat at NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provides the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

In addition to creating precedent-setting case law in successfully defending the various motions to dismiss the *Fiat Chrysler* litigation, Pomerantz also significantly advanced investors' ability to obtain critically important discovery from regulators that are often at the center of securities actions. During the litigation, Pomerantz sought the deposition of a former employee of the National Highway Traffic Safety Administration ("NHTSA"). The United States Department of Transportation ("USDOT"), like most federal agencies, has enacted a set of regulations — known as "Touhy regulations" — governing when its employees may be called by private parties to testify in court. On their face, USDOT's regulations apply to both "current" and "former" employees. In response to Pomerantz's request to depose a former employee of NHTSA that interacted with Fiat Chrysler, NHTSA denied the request, citing the Touhy regulation. Despite the widespread application, and assumed appropriateness, of applying these regulations to former employees throughout the case law, Pomerantz filed an action against USDOT and NHTSA, arguing that the statute pursuant to which the Touhy regulations were enacted speaks only of "employees," which should be interpreted to apply only to current employees. The court granted summary judgment in favor of Pomerantz's clients, holding that "USDOT's Touhy regulations are unlawful to the extent that they apply to former employees." This victory will greatly shift the discovery tools available, so that investor plaintiffs in securities class actions against highly-regulated entities (for example, companies subject to FDA regulations) will now be able to depose former employees of the regulators that interacted with the defendants during the class period to get critical testimony concerning the company's violations and misdeeds.

***Strougo v. Barclays PLC*, No. 14-cv-5797 (S.D.N.Y.)**

Pomerantz, as sole Lead Counsel in this high-profile securities class action, achieved a \$27 million settlement for defrauded investors in 2019. Plaintiffs alleged that defendants concealed information and misled investors regarding its management of its "LX" dark pool, a private trading platform where the size and price of the orders are not revealed to other participants. On November 6, 2017, the Second Circuit affirmed former District Court Judge Shira S. Scheindlin's February 2, 2016, Opinion and Order granting plaintiffs' motion for class certification in the case.

The Court of Appeals in *Barclays* held that direct evidence of price impact is not always necessary to demonstrate market efficiency, as required to invoke the *Basic* presumption of reliance, and was not required here. Significantly, when handing down its decision, the Second Circuit cited its own *Petrobras* decision, stating, "We have repeatedly—and recently—declined to adopt a particular test for market efficiency." *Waggoner v. Barclays PLC*, 875 F.3d 79, 94 (2d Cir. 2017).

The court held that defendants seeking to rebut the *Basic* presumption of reliance on an efficient market must do so by a preponderance of the evidence. The court further held that it would be inconsistent with *Halliburton II* to "allow [] defendants to rebut the *Basic* presumption by simply producing *some* evidence of market inefficiency, but not demonstrating its inefficiency to the district court." *Id.* at 100. The court rejected defendants' contention that Federal Rule of Evidence 301 applies, and made clear that the *Basic* presumption is a judicially-created doctrine and thus the burden of persuasion properly shifts to defendants. The court thus confirmed that plaintiffs have no burden to show price impact at the class certification stage—a significant victory for investors.

***In re Yahoo! Inc. Sec. Litig.*, No. 17-cv-00373 (N.D. Cal.)**

On September 10, 2018, Pomerantz, as Co-Lead Counsel, achieved final approval of a historic \$80 million settlement for the Class in this ground-breaking litigation. The complaint, filed in January 2017, alleged

that the internet giant intentionally misled investors about its cybersecurity practices in the wake of massive data breaches in 2013 and 2014 that compromised the personal information of all 3 billion Yahoo customers. Plaintiffs allege that Yahoo violated federal securities laws by failing to disclose the breaches, which caused a subsequent stock price dive. This represents the first significant settlement to date of a securities fraud class action filed in response to a data breach.

As part of due diligence, Pomerantz located critical evidence showing that Yahoo's management had concurrent knowledge of at least one of the data breaches. Importantly, these records showed that Yahoo's Board of Directors, including Defendant CEO Marissa Mayer, had knowledge of and received repeated updates regarding the breach. In its public filings, Yahoo denied that the CEO knew about the breach, and the CEO's knowledge was a key issue in the case.

After receiving Plaintiffs' opposition to the motion to dismiss, but before the federal District Court ruled on the motion, the case settled for \$80 million. This early and large settlement reflects the strength of the complaint's allegations.

Kaplan v. S.A.C. Capital Advisors, L.P., No. 12-cv-9350 (S.D.N.Y.)

In May 2017, Pomerantz, as Co-Lead Counsel, achieved final approval of a \$135 million recovery for the Class in this securities class action that stemmed from what has been called the most profitable insider trading scheme in U.S. history. After years of vigorous litigation, billionaire Steven A. Cohen's former hedge fund, S.A.C. Capital Advisors LP, agreed to settle the lawsuit by investors in the drug maker Elan Corp, who said they lost money because of insider trading by one of his portfolio managers.

In re BP p.l.c. Securities Litigation, MDL No. 2185 (S.D. Tex.)

Beginning in 2012, Pomerantz pursued ground-breaking individual lawsuits for institutional investors to recover losses in BP p.l.c.'s London-traded common stock and NYSE-traded American Depositary Shares (ADSs) arising from its 2010 Gulf of Mexico oil spill. Over nine years, Pomerantz briefed and argued every significant dispute on behalf of 125+ institutional plaintiffs, successfully opposed three motions to dismiss, won other contested motions, oversaw e-discovery of 1.75 million party and non-party documents, led the Individual Action Plaintiffs Steering Committee, served as sole Liaison with BP and the Court, and worked tirelessly with our clients' outside investment management firms to develop crucial case evidence.

A threshold challenge was how to litigate in U.S. court given the U.S. Supreme Court's decision in *Morrison v. National Australia Bank*, 130 S. Ct. 2869 (2010), which barred recovery for losses in foreign-traded securities under the U.S. federal securities laws. In 2013 and 2014, Pomerantz won significant victories in defeating BP's *forum non conveniens* arguments, which sought to force dismissal of the English common law claims from U.S. courts for refiling in English courts, first as regards U.S. institutions and, later, foreign institutions. Pomerantz also defeated BP's attempt to extend the U.S. federal Securities Litigation Uniform Standards Act of 1998 to reach, and dismiss, these foreign law claims in deference to non-existent remedies under the U.S. federal securities laws. These rulings paved the way for 125+ global institutional investors to pursue their claims and marked the first time, post-*Morrison*, that U.S. and foreign investors, pursuing foreign claims seeking recovery for losses in a foreign company's foreign-traded securities, did so in a U.S. court. In 2017, Pomerantz earned an important victory that expanded investor rights under English law, permitting certain BP investors to pursue a

“holder claim” theory seeking to recover losses in securities held, rather than purchased anew, in reliance on the alleged fraud - a theory barred under the U.S. federal securities laws since *Blue Chip Stamps v. Manor Drug Stores*, 421 U.S. 723 (1975). This win was significant, given the dearth of precedent from anywhere recognizing the viability of a “holder claim” under any non-U.S. law and holding that a given plaintiff alleged facts sufficiently evidencing reliance and documenting the resulting retention of an identifiable amount of shares on a date certain.

In Q1 2021, Pomerantz secured confidential, favorable monetary settlements from BP for our nearly three dozen clients, including public and private pension funds, money management firms, partnerships, and investment trusts from the U.S., Canada, the U.K., France, the Netherlands, and Australia.

In re Comverse Technology, Inc. Sec. Litig., No. 06-CV-1825 (E.D.N.Y.)

In June 2010, Judge Nicholas G. Garaufis of the U.S. District Court for the Eastern District of New York granted final approval of a \$225 million settlement proposed by Pomerantz and Lead Plaintiff the Menora Group, with Comverse Technology and certain of Comverse’s former officers and directors, after four years of highly contested litigation. The *Comverse* settlement is one of the largest securities class action settlements reached since the passage of the Private Securities Litigation Reform Act (“PSLRA”).¹ It is the second-largest recovery in a securities litigation involving the backdating of options, as well as one of the largest recoveries – \$60 million – from an individual officer-defendant, Comverse’s founder and former CEO, Kobi Alexander.

Other significant settlements

Even before the enactment of the PSLRA, Pomerantz represented state agencies in securities class actions, including the Treasurer of the Commonwealth of Pennsylvania (recovered \$100 million) against a major investment bank. *In re Salomon Brothers Treasury Litig.*, No. 91-cv-5471 (S.D.N.Y.).

Pomerantz recovered \$50 million for the Treasurer of the State of New Jersey and several New Jersey pension funds in an individual action. This was a substantially higher recovery than what our clients would have obtained had they remained in a related federal class action. *Treasurer of State of New Jersey v. AOL Time Warner, Inc.* (N.J. Super. Ct. Law Div., Mercer Cty.).

Pomerantz has litigated numerous cases for the Louisiana School Employees’ Retirement System. For example, as Lead Counsel, Pomerantz recovered \$74.75 million in a securities fraud class action against Citigroup, its CEO Sanford Weill, and its now infamous telecommunications analyst Jack Grubman. *In re Salomon Analyst AT&T Litig.*, No. 02-cv-6801 (S.D.N.Y.) Also, the Firm played a major role in a complex antitrust and securities class action which settled for over \$1 billion. *In re NASDAQ Market-Makers Antitrust Litig.*, MDL No. 1023 (S.D.N.Y.). Pomerantz was a member of the Executive Committee in *In re Transkaryotic Therapies, Inc. Securities Litigation*, C.A. No. 03-10165 (D. Mass.), helping to win a \$50 million settlement for the class.

In 2008, together with Co-Counsel, Pomerantz identified a substantial opportunity for recovery of losses in Countrywide mortgage-backed securities (“MBS”) for three large New Mexico funds (New Mexico State Investment Council, New Mexico Public Employees’ Retirement Association, and New Mexico

¹ Institutional Shareholder Services, *SCAS Top 100 Settlements Quarterly Report* (Sept. 30, 2010).

Educational Retirement Board), which had been overlooked by all of the firms then in their securities litigation pool. We then filed the first non-class lawsuit by a public institution with respect to Countrywide MBS. *See N.M. State Inv. Council v. Countrywide Fin. Corp.*, No. D-0101-CV-2008-02289 (N.M. 1st Dist. Ct.). In Fall 2010, we negotiated for our clients an extremely favorable but confidential settlement.

Over its long history, Pomerantz has achieved significant settlements in numerous cases, a sampling of which is listed below:

Pomerantz has also obtained stellar results for private institutions and Taft-Hartley funds. Below are a few examples:

- *In re Charter Commc'ns, Inc. Sec. Litig.*, No. 02-cv-1186 (E.D. Mo. 2005) (sole Lead Counsel for Lead Plaintiff StoneRidge Investment Partners LLC); \$146.25 million class settlement, where Charter also agreed to enact substantive improvements in corporate governance.

Partners Ltd. and obtained judgment of contempt against controlling shareholder for having made "extraordinary" payments to himself in violation of a preliminary injunction; persuaded the court to jail him for two years upon his refusal to pay; and, in a related action, won a \$43 million judgment after trial and obtained turnover of stock of two companies).

Shaping the Law

Not only has Pomerantz established a long track record of obtaining substantial monetary recoveries for our clients; whenever appropriate, we also pursue corporate governance reforms on their behalf. In *In re Chesapeake Shareholders Derivative Litigation*, No. CJ-2009-3983 (Okla. Dist. Ct., Okla. Cty. 2011), for example, the Firm served as Co-Lead Counsel, representing a public pension client in a derivative case arising from an excessive compensation package granted to Chesapeake's CEO and founder. This was a derivative action, not a class action. Yet it is illustrative of the results that can be obtained by an institutional investor in the corporate governance arena. There we obtained a settlement which called for the repayment of \$12.1 million and other consideration by the CEO. The Wall Street Journal (Nov. 3, 2011) characterized the settlement as "a rare concession for the 52-year old executive, who has run the company largely by his own rules since he co-founded it in 1989." The settlement also included comprehensive corporate governance reforms.

The Firm has won many landmark decisions that have enhanced shareholders' rights and improved corporate governance. These include decisions that established that:

- defendants seeking to rebut the *Basic* presumption of reliance on an efficient market must do so by a preponderance of the evidence. *Waggoner v. Barclays PLC*, 875 F.3d 79 (2d Cir. 2017) (*Strougo v. Barclays PLC*, in the court below);
- plaintiffs have no burden to show price impact at the class certification stage. *Waggoner v. Barclays PLC*, 875 F.3d 79 (2d Cir. 2017) (*Strougo v. Barclays PLC*, in the court below);
- the ascertainability doctrine requires only that a class be defined using objective criteria that establish a membership with definite boundaries. *Universities Superannuation Scheme Ltd. v. Petróleo Brasileiro S.A. Petrobras*, 862 F.3d 250 (2d Cir. 2017);
- companies cannot adopt bylaws to regulate the rights of former stockholders. *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch. 2015);
- a temporary rise in share price above its purchase price in the aftermath of a corrective disclosure does not eviscerate an investor's claim for damages. *Acticon AG v. China Ne. Petroleum Holdings Ltd.*, 692 F.3d 34 (2d Cir. 2012);
- an MBS holder may bring claims if the MBS price declines even if all payments of principal and interest have been made. Transcript of Proceedings, *N.M. State Inv. Council v. Countrywide Fin. Corp.*, No. D-0101-CV-2008-02289 (N.M. 1st Dist. Ct. Mar. 25, 2009);

- when a court selects a Lead Plaintiff under the Private Securities Litigation Reform Act (“PSLRA”), the standard for calculating the “largest financial interest” must take into account sales as well as purchases. *In re Comverse Tech., Inc. Sec. Litig.*, No. 06-cv-1825, 2007 U.S. Dist. LEXIS 14878 (E.D.N.Y. Mar. 2, 2007);
- a managing underwriter can owe fiduciary duties of loyalty and care to an issuer in connection with a public offering of the issuer stock, even in the absence of any contractual agreement. Professor John C. Coffee, a renowned Columbia University securities law professor, commenting on the ruling, stated: “It’s going to change the practice of all underwriting.” *EBC I, Inc. v. Goldman Sachs & Co.*, 5 N.Y. 3d 11 (2005);
- purchasers of options have standing to sue under federal securities laws. *In re Green Tree Fin. Corp. Options Litig.*, No. 97-2679, 2002 U.S. Dist. LEXIS 13986 (D. Minn. July 29, 2002);
- shareholders have a right to a jury trial in derivative actions. *Ross v. Bernhard*, 396 U.S. 531 (1970);
- a company may have the obligation to disclose to shareholders its Board’s consideration of important corporate transactions, such as the possibility of a spin-off, even before any final decision has been made. *Kronfeld v. Trans World Airlines, Inc.*, 832 F.2d 726 (2d Cir. 1987);
- specific standards for assessing whether mutual fund advisors breach fiduciary duties by charging excessive fees. *Gartenberg v. Merrill Lynch Asset Mgmt., Inc.*, 740 F.2d 190 (2d Cir. 1984);
- investment advisors to mutual funds are fiduciaries who cannot sell their trustee positions for a profit. *Rosenfeld v. Black*, 445 F.2d 1337 (2d Cir. 1971); and
- management directors of mutual funds have a duty to make full disclosure to outside directors “in every area where there was even a possible conflict of interest.” *Moses v. Burgin*, 445 F.2d 369 (1st Cir. 1971).

Comments from the Courts

Throughout its history, courts time and again have acknowledged the Firm’s ability to vigorously pursue and successfully litigate actions on behalf of investors.

U.S. District Judge Noel L. Hillman, in approving the *In re Toronto-Dominion Bank Securities Litigation* settlement in October 2019, stated:

I commend counsel on both sides for their hard work, their very comprehensive and thoughtful submissions during the motion practice aspect of this case. ... It’s clear to me that this was comprehensive, extensive, thoughtful, meaningful litigation leading up to the settlement. ... This settlement appears to have been obtained through the hard work of the Pomerantz firm. ... It was through their efforts and not piggybacking on any other work that resulted in this settlement.

In approving the settlement in *Strougo v. Barclays PLC* in June 2019, Judge Victor Marrero of the Southern District of New York wrote:

Let me thank counsel on both sides for the extraordinary work both sides did in bringing this matter to a reasonable conclusion. As the parties have indicated, the matter was intensely litigated, but it was done in the most extraordinary fashion with cooperation, collaboration, and high levels of professionalism on both sides, so I thank you.

In approving the \$3 billion settlement in *In re Petrobras Securities Litigation* in June 2018, Judge Jed S. Rakoff of the Southern District of New York wrote:

[T]he Court finds that Class Counsel's performance was in many respects exceptional, with the result that, as noted, the class is poised to enjoy a substantially larger per share recovery [65%] than the recovery enjoyed by numerous large and sophisticated plaintiffs who separately settled their claims.

At the hearing for preliminary approval of the settlement in *In re Petrobras Securities Litigation* in February 2018, Judge Rakoff stated:

[T]he lawyers in this case [are] some of the best lawyers in the United States, if not in the world.

Two years earlier, in certifying two Classes in *In re Petrobras Securities Litigation* in February 2016, Judge Rakoff wrote:

[O]n the basis not only of USS's counsel's prior experience but also the Court's observation of its advocacy over the many months since it was appointed Lead Counsel, the Court concludes that Pomerantz, the proposed class counsel, is "qualified, experienced and able to conduct the litigation." ... [T]he Pomerantz firm has both the skill and resources to represent the Classes adequately.

In approving the settlement in *Thorpe v. Walter Investment Management Corp.*, No. 14-cv-20880, 2016 U.S. Dist. LEXIS 144133 (S.D. Fla. Oct. 14, 2016) Judge Ursula Ungaro wrote:

Class Counsel has developed a reputation for zealous advocacy in securities class actions. ... The settlement amount of \$24 million is an outstanding result.

At the May 2015 hearing wherein the court approved the settlement in *Courtney v. Avid Technology, Inc.*, No. 13-cv-10686 (D. Mass. May 12, 2015), following oral argument by Jeremy A. Lieberman, Judge William G. Young stated:

This has been very well litigated. It is always a privilege. I don't just say that as a matter of form. And I thank you for the vigorous litigation that I've been permitted to be a part of. [Tr. at 8-9.]

At the January 2012 hearing wherein the court approved the settlement in *In re Chesapeake Energy Corp. Shareholder Derivative Litigation*, No. CJ-2009-3983 (Okla. Dist. Ct., Okla. Cty. Jan. 30, 2012), following oral argument by Marc I. Gross, Judge Daniel L. Owens stated:

Counsel, it's a pleasure, and I mean this and rarely say it. I think I've said it two times in 25 years. It is an extreme pleasure to deal with counsel of such caliber. [Tr. at 48.]

In approving the \$225 million settlement in *In re Comverse Technology, Inc. Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.) in June 2010, Judge Nicholas G. Garaufis stated:

As outlined above, the recovery in this case is one of the highest ever achieved in this type of securities action. ... The court also notes that, throughout this litigation, it has been impressed by Lead Counsel's acumen and diligence. The briefing has been thorough, clear, and convincing, and ... Lead Counsel has not taken short cuts or relaxed its efforts at any stage of the litigation.

In approving a \$146.25 million settlement in *In re Charter Communications Securities Litigation*, No. 02-CV-1186, 2005 U.S. Dist. LEXIS 14772 (E.D. Mo. June 30, 2005), in which Pomerantz served as sole Lead Counsel, Judge Charles A. Shaw praised the Firm's efforts, citing "the vigor with which Lead Counsel ... investigated claims, briefed the motions to dismiss, and negotiated the settlement." He further stated:

This Court believes Lead Plaintiff achieved an excellent result in a complex action, where the risk of obtaining a significantly smaller recovery, if any, was substantial.

In approving a \$24 million settlement in *In re Force Protection, Inc.*, No. 08 CV 845 (D.S.C. 2011), Judge C. Weston Houk described the Firm as "attorneys of great ability and great reputation" and commended the Firm for having "done an excellent job."

In certifying a class in a securities fraud action against analysts in *DeMarco v. Robertson Stephens Inc.*, 228 F.R.D. 468 (S.D.N.Y. 2005), Judge Gerard D. Lynch stated that Pomerantz had "ably and zealously represented the interests of the class."

Numerous courts have made similar comments:

- Appointing Pomerantz Lead Counsel in *American Italian Pasta Co. Securities Litigation*, No 05-CV-0725 (W.D. Mo.), a class action that involved a massive fraud and restatements spanning several years, the District Court observed that the Firm "has significant experience (and has been extremely effective) litigating securities class actions, employs highly qualified attorneys, and possesses ample resources to effectively manage the class litigation and protect the class's interests."
- In approving the settlement in *In re Wiring Devices Antitrust Litigation*, MDL No. 331 (E.D.N.Y. Sept. 9, 1980), Chief Judge Jack B. Weinstein stated that "Counsel for the plaintiffs I think did an excellent job. ... They are outstanding and skillful. The litigation was and is extremely complex. They assumed a great deal of responsibility. They recovered a very large amount given the possibility of no recovery here which was in my opinion substantial."
- In *Snyder v. Nationwide Insurance Co.*, No. 97/0633, (N.Y. Supreme Court, Onondaga Cty.), a case where Pomerantz served as Co-Lead Counsel, Judge Tormey stated, "It was a pleasure to work with you. This is a good result. You've got some great attorneys working on it."
- In *Steinberg v. Nationwide Mutual Insurance Co.* (E.D.N.Y. 2004), Judge Spatt, granting class certification and appointing the Firm as class counsel, observed: "The Pomerantz firm has a strong reputation as class counsel and has demonstrated its competence to serve as class counsel in this motion for class certification." (224 F.R.D. 67, 766.)
- In *Mercury Savings & Loan*, No. 90-cv-00087 LHM (C.D. Cal. 1993), Judge McLaughlin commended the Firm for the "absolutely extraordinary job in this litigation."

- In *Boardwalk Marketplace Securities Litigation*, MDL No. 712 (D. Conn.), Judge Eginton described the Firm's services as "exemplary," praised it for its "usual fine job of lawyering ...[in] an extremely complex matter," and concluded that the case was "very well-handled and managed." (Tr. at 6, 5/20/92; Tr. at 10, 10/10/92.)
- In *Nodar v. Weksel*, No. 84 Civ. 3870 (S.D.N.Y.), Judge Broderick acknowledged "that the services rendered [by Pomerantz] were excellent services from the point of view of the class represented, [and] the result was an excellent result." (Tr. at 21-22, 12/27/90.)
- In *Klein v. A.G. Becker Paribas, Inc.*, No. 83 Civ. 6456 (S.D.N.Y.), Judge Goettel complimented the Firm for providing "excellent ...absolutely top-drawer representation for the class, particularly in light of the vigorous defense offered by the defense firm." (Tr. at 22, 3/6/87.)
- In *Digital Securities Litigation*, No. 83-3255 (D. Mass.), Judge Young lauded the Firm for its "[v]ery fine lawyering." (Tr. at 13, 9/18/86.)
- In *Shelter Realty Corp. v. Allied Maintenance Corp.*, 75 F.R.D. 34, 40 (S.D.N.Y. 1977), Judge Frankel, referring to Pomerantz, said: "Their experience in handling class actions of this nature is known to the court and certainly puts to rest any doubt that the absent class members will receive the quality of representation to which they are entitled."
- In *Rauch v. Bilzerian*, No. 88 Civ. 15624 (N.J. Sup. Ct.), the court, after trial, referred to Pomerantz partners as "exceptionally competent counsel," and as having provided "top drawer, topflight [representation], certainly as good as I've seen in my stay on this court."

Corporate Governance Litigation

Pomerantz is committed to ensuring that companies adhere to responsible business practices and practice good corporate citizenship. We strongly support policies and procedures designed to give shareholders the ability to oversee the activities of a corporation. We vigorously pursue corporate governance reform, particularly in the area of excess compensation, where it can address the growing disparity between the salaries of executives and the workers of major corporations. We have successfully utilized litigation to bring about corporate governance reform in numerous cases, and always consider whether such reforms are appropriate before any case is settled.

Pomerantz's Corporate Governance Practice Group, led by Partner Gustavo F. Bruckner, enforces shareholder rights and prosecutes actions challenging corporate transactions that arise from an unfair process or result in an unfair price for shareholders.

In September 2017, New Jersey Superior Court Judge Julio Mendez, of Cape May County Chancery Division, approved Pomerantz's settlement in a litigation against Ocean Shore Holding Co. The settlement provided non-pecuniary benefits for a non-opt out class. In so doing, Judge Mendez became the first New Jersey state court judge to formally adopt the Third Circuit's nine-part *Girsh* factors, *Girsh v. Jepson*, 521 F.2d 153 (3d Cir. 1975). There has never before been a published New Jersey state court opinion setting out the factors a court must consider in evaluating whether a class action settlement should be determined to be fair and adequate. After conducting an analysis of each of the nine *Girsh* factors and holding that "class actions settlements involving non-monetary benefits to the class are subject to more exacting scrutiny," Judge Mendez held that the proposed settlement provided a material benefit to the shareholders.

In February 2018, the Maryland Circuit Court, Montgomery County, approved a \$17.5 million settlement that plaintiffs achieved as additional consideration on behalf of a class of shareholders of American Capital, Ltd. *In re Am. Capital, Ltd. S'holder Litig.*, C.A. No. 422598-V (2018). The settlement resolved Plaintiffs' claims regarding a forced sale of American Capital.

Pomerantz filed an action challenging the sale of American Capital, a Delaware corporation with its headquarters in Maryland. Among other things, American Capital's board of directors (the "Board") agreed to sell the company at a price below what two other bidders were willing to offer. Worse, the merger price was even below the amount that shareholders would have received in the company's planned phased liquidation, which the company was considering under pressure from Elliott Management, an activist hedge fund and holder of approximate 15% of American Capital stock. Elliott was not originally named as a defendant, but after initial discovery showed the extent of its involvement in the Board's breaches of fiduciary duty, Elliott was added as a defendant in an amended complaint under the theory that Elliott exercised actual control over the Board's decision-making. Elliott moved to dismiss on jurisdictional grounds and additionally challenged its alleged status as a controller of American Capital. In June 2017, minutes before the hearing on defendants' motion to dismiss, a partial settlement was entered into with the members of the Board for \$11.5 million. The motion to dismiss hearing proceeded despite the partial settlement, but only as to Elliott. In July 2017, the court denied the motion to dismiss, finding that Elliott, "by virtue solely of its own conduct, ... has easily satisfied the transacting business prong of the Maryland long arm statute." The court also found that the "amended complaint in this case sufficiently pleads that Elliott was a controller with respect to" the sale, thus implicating a higher standard of review. Elliott subsequently settled the remaining claims for an additional \$6 million. Pomerantz served as Co-Lead Counsel.

In May 2017, the Circuit Court of the State of Oregon approved the settlement achieved by Pomerantz and co-counsel of a derivative action brought by two shareholders of Lithia Motors, Inc. The lawsuit alleged breach of fiduciary duties by the board of directors in approving, without any meaningful review, the Transition Agreement between Lithia Motors and Sidney DeBoer, its founder, controlling shareholder, CEO, and Chairman, who was stepping down as CEO. DeBoer and his son, the current CEO, Bryan DeBoer, negotiated virtually all the material terms of the Agreement, by which the company agreed to pay the senior DeBoer \$1,060,000 and a \$42,000 car allowance annually for the rest of his life, plus other benefits, in addition to the \$200,000 per year that he would receive for continuing to serve as Chairman.

The *Lithia* settlement extracted corporate governance therapeutics that provide substantial benefits to Lithia and its shareholders and redress the wrongdoing alleged by plaintiffs. The board will now be required to have at least five independent directors -- as defined under the New York Stock Exchange rules -- by 2020; a number of other new protocols will be in place to prevent self-dealing by board members. Further, the settlement calls for the Transition Agreement to be reviewed by an independent auditor who will determine whether the annual payments of \$1,060,000 for life to Sidney DeBoer are reasonable. Lithia has agreed to accept whatever decision the auditor makes.

In January 2017, the Group received approval of the Delaware Chancery Court for a \$5.6 million settlement it achieved on behalf of a class of shareholders of Physicians Formula Holdings Inc. over an ignored merger offer in 2012. *In re Physicians Formula Holdings Inc.*, C.A. No. 7794-VCL (Del. Ch.).

The Group obtained a landmark ruling in *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch.), that fee-shifting bylaws adopted after a challenged transaction do not apply to shareholders affected by the transaction. They were also able to obtain a 25% price increase for members of the class cashed out in the going private transaction.

In *Miller v. Bolduc*, No. SUCV 2015-00807 (Mass. Super. Ct.), the Group caused Implant Sciences to hold its first shareholder annual meeting in five years and put an important compensation grant up for a shareholder vote.

In *Smollar v. Potarazu*, C.A. No. 10287-VCN (Del. Ch.), the Group pursued a derivative action to bring about the appointment of two independent members to the board of directors, retention of an independent auditor, dissemination of financials to shareholders and the holding of first ever in-person annual meeting, among other corporate therapeutics.

In *Hallandale Beach Police Officers & Firefighters' Personnel Retirement Fund vs. Lululemon athletica, Inc.*, C.A. No. 8522-VCP (Del. Ch.), in an issue of first impression in Delaware, the Chancery Court ordered the production of the chairman's 10b5-1 stock trading plan. The court found that a stock trading plan established by the company's chairman, pursuant to which a broker, rather than the chairman himself, would liquidate a portion of the chairman's stock in the company, did not preclude potential liability for insider trading.

In *Strougo v. North State Bancorp*, No. 15 CVS 14696 (N.C. Super. Ct.), the Group caused the Merger Agreement to be amended to provide a "majority of the minority" provision for the holders of North State Bancorp's common stock in connection with the shareholder vote on the merger. As a result of the Action, common shareholders could stop the merger if they did not wish it to go forward.

Pomerantz's commitment to advancing sound corporate governance principles is further demonstrated by the more than 26 years that we have co-sponsored the Abraham L. Pomerantz Lecture Series with Brooklyn Law School. These lectures focus on critical and emerging issues concerning shareholder rights and corporate governance and bring together top academics and litigators.

Our bi-monthly newsletter, *The Pomerantz Monitor*, provides institutional investors updates and insights on current issues in corporate governance.

Strategic Consumer Litigation

Pomerantz's Strategic Consumer Litigation practice group, led by Partner Jordan Lurie, represents consumers in actions that seek to recover monetary and injunctive relief on behalf of class members while also advocating for important consumer rights. The attorneys in this group have successfully prosecuted claims involving California's Unfair Competition Law, California's Consumers Legal Remedies Act, the Song Beverly Consumer Warranty Act and the Song Beverly Credit Card Act. They have resolved data breach privacy cases and cases involving unlawful recording, illegal background checks, unfair business practices, misleading advertising and other consumer finance related actions. All of these actions also have resulted in significant changes to defendants' business practices.

Pomerantz currently represents consumers in a nationwide class action against Facebook for mistargeting ads. Plaintiff alleges that Facebook programmatically displays a material percentage of ads to users outside the defined target market and displays ads to “serial Likers” outside the defined target audience in order to boost Facebook’s revenue. *IntegrityMessageBoards.com v. Facebook, Inc. (N.D. Cal.) Case No. 4:18 -cv-05286 PJH*.

Pomerantz has pioneered litigation to establish claims for public injunctive relief under California’s unfair business practices statute. For example, Pomerantz has filed cases seeking to prevent major auto manufacturers from unauthorized access to, and use of, drivers’ vehicle data without compensation, and seeking to require the auto companies to share diagnostic data extracted from drivers’ vehicles. The Strategic Consumer Litigation practice group also is prosecuting class cases against auto manufacturers for failing to properly identify high-priced parts that must be covered in California under extended emissions warranties.

Other consumer matters handled by Pomerantz’s Strategic Consumer Litigation practice group include actions involving cryptocurrency, medical billing, price fixing, and false advertising of various consumer products and services.

Antitrust Litigation

Pomerantz has earned a reputation for prosecuting complex antitrust and consumer class actions with vigor, innovation, and success. Pomerantz’s Antitrust and Consumer Group has recovered billions of dollars for the Firm’s business and individual clients and the classes that they represent. Time and again, Pomerantz has protected our free-market system from anticompetitive conduct such as price fixing, monopolization, exclusive territorial division, pernicious pharmaceutical conduct, and false advertising. Pomerantz’s advocacy has spanned across diverse product markets, exhibiting the Antitrust and Consumer Group’s versatility to prosecute class actions on any terrain.

Pomerantz has served and is currently serving in leadership or Co-Leadership roles in several high-profile multi-district litigation class actions. In December 2018, the Firm achieved a \$31 billion partial settlement with three defendants on behalf of a class of U.S. lending institutions that originated, purchased or held loans paying interest rates tied to the U.S. Dollar London Interbank Offered Rate (USD LIBOR). It is alleged that the class suffered damages as a result of collusive manipulation by the LIBOR contributor panel banks that artificially suppressed the USD LIBOR rate during the class period, causing the class members to receive lower interest payments than they would have otherwise received. *In re Libor Based Financial Instruments Antitrust Litig.*, 1:11-md-2262.

Pomerantz represented baseball and hockey fans in a game-changing antitrust class action against Major League Baseball and the National Hockey League, challenging the exclusive territorial division of live television broadcasts, internet streaming, and the resulting geographic blackouts. *See Laumann v. NHL and Garber v. MLB* (S.D.N.Y. 2012).

Pomerantz has spearheaded the effort to challenge harmful anticompetitive conduct by pharmaceutical companies—including Pay-for-Delay Agreements—that artificially inflates the price of prescription drugs by keeping generic versions off the market.

Even prior to the 2013 precedential U.S. Supreme Court decision in *Actavis*, Pomerantz litigated and successfully settled the following generic-drug-delay cases:

- *In re Flonase Antitrust Litig.* (E.D. Pa. 2008) (\$35 million);
- *In re Toprol XL Antitrust Litig.* (D. Del. 2006) (\$11 million); and
- *In re Wellbutrin SR Antitrust Litig.* (E.D. Pa. 2004) (\$21.5 million).

Other exemplary victories include Pomerantz's prominent role in *In re NASDAQ Market-Makers Antitrust Litigation* (S.D.N.Y.), which resulted in a settlement in excess of \$1 billion for class members, one of the largest antitrust settlements in history. Pomerantz also played prominent roles in *In re Sorbates Direct Purchaser Antitrust Litigation* (N.D. Cal.), which resulted in over an \$82 million recovery, and in *In re Methionine Antitrust Litigation* (N.D. Cal.), which resulted in a \$107 million recovery. These cases illustrate the resources, expertise, and commitment that Pomerantz's Antitrust Group devotes to prosecuting some of the most egregious anticompetitive conduct.

Jeremy A. Lieberman

Jeremy A. Lieberman is Pomerantz's Managing Partner. He became associated with the Firm in August 2004 and was elevated to Partner in January 2010. The Legal 500, in honoring Jeremy as a Leading Lawyer and Pomerantz as a 2021 Tier 1 Plaintiffs Securities Law Firm, stated that "Jeremy Lieberman is super impressive – a formidable adversary for any defense firm." Among the client testimonials posted on The Legal 500's website: "Jeremy Lieberman led the case for us with remarkable and unrelenting energy and aggression. He made a number of excellent strategic decisions which boosted our recovery." Lawdragon named Jeremy among the 2021 Leading 500 Lawyers in the United States. Super Lawyers® named him among the Top 100 Lawyers in the New York Metro area in 2021. In 2020, Jeremy won a Distinguished Leader award from the *New York Law Journal*. He was honored as Benchmark Litigation's 2019 Plaintiff Attorney of the Year. In 2018, Jeremy was honored as a Titan of the Plaintiffs Bar by Law360 and as a Benchmark Litigation Star. The Pomerantz team that Jeremy leads was named a 2018 Securities Practice Group of the Year.

Jeremy led the securities class action litigation *In re Petrobras Securities Litigation*, which arose from a multi-billion-dollar kickback and bribery scheme involving Brazil's largest oil company, Petróleo Brasileiro S.A. – Petrobras, in which Pomerantz was sole Lead Counsel. The biggest instance of corruption in the history of Brazil ensnared not only Petrobras' former executives but also Brazilian politicians, including former president Lula da Silva and one-third of the Brazilian Congress. In January and February 2018, Jeremy achieved a historic \$3 billion settlement for the Class. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

Jeremy also secured a significant victory for Petrobras investors at the Second Circuit Court of Appeals, when the court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by the Third Circuit Courts of Appeals. The ruling will have a positive impact on plaintiffs in securities fraud litigation. Indeed, the *Petrobras* litigation was honored in 2019 as a National Impact Case by Benchmark Litigation.

Jeremy was Lead Counsel in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y.), in which the Firm achieved a \$110 million settlement for the class. Plaintiff alleged that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with “defeat device” software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provided the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

In November 2019, Jeremy achieved a critical victory for investors in the securities fraud class action against Perrigo Co. plc when Judge Arleo of the United States District Court for the District of New Jersey certified classes of investors that purchased Perrigo securities on both the New York Stock Exchange and the Tel Aviv Stock Exchange. Pomerantz represents a number of institutional investors that purchased Perrigo securities on both exchanges after an offer by Mylan N.V. to tender Perrigo shares. This is the first time since *Morrison* that a U.S. court has independently analyzed the market of a security traded on a non-U.S. exchange, and found that it met the standards of market efficiency necessary allow for class certification.

Jeremy heads the Firm’s individual action against pharmaceutical giant Teva Pharmaceutical Industries Ltd. and Teva Pharmaceuticals USA, Inc. (together, “Teva”), and certain of Teva’s current and former employees and officers, relating to alleged anticompetitive practices in Teva’s sales of generic drugs. Teva is a dual-listed company, and the Firm represents several Israeli institutional investors who purchased Teva shares on the Tel Aviv Stock Exchange. In early 2021, Pomerantz achieved a major victory for global investors when the district court agreed to exercise supplemental jurisdiction over the Israeli law claims. *Clal Insurance Company Ltd. v. Teva Pharmaceutical Industries Ltd.*

In 2019, Jeremy achieved a \$27 million settlement for the Class in *Strougo v. Barclays PLC*, a high-profile securities class action in which Pomerantz was Lead Counsel. Plaintiffs alleged that Barclays PLC misled institutional investors about the manipulation of the banking giant’s so-called “dark pool” trading systems in order to provide a trading advantage to high-frequency traders over its institutional investor clients. This case turned on the duty of integrity owed by Barclays to its clients. In November 2017, Jeremy achieved precedent-setting victories for investors, when the Second Circuit Court of Appeals held that direct evidence of price impact is not always necessary to demonstrate market efficiency to invoke the presumption of reliance, and that defendants seeking to rebut the presumption of reliance must do so by a preponderance of the evidence rather than merely meeting a burden of production.

Jeremy led the Firm’s securities class action litigation against Yahoo! Inc., in which Pomerantz, as Lead Counsel, achieved an \$80 million settlement for the Class in 2018. The case involved the biggest data breaches in U.S. history, in which over 3 billion Yahoo accounts were compromised. This was the first significant settlement to date of a securities fraud class action filed in response to a data breach.

In 2018 Jeremy achieved a \$3,300,000 settlement for the Class in the Firm's securities class action against Corinthian Colleges, one of the largest for-profit college systems in the country, for alleged misrepresentations about its job placement rates, compliance with applicable regulations, and enrollment statistics. Pomerantz prevailed in the motion to dismiss the proceedings, a particularly noteworthy victory because Chief Judge George King of the Central District of California had dismissed two prior lawsuits against Corinthian with similar allegations. *Erickson v. Corinthian Colleges, Inc.* (C.D. Cal.).

Jeremy led the Firm's litigation team that in 2018 secured a \$31 million partial settlement with three defendants in *In re Libor Based Financial Instruments Antitrust Litigation*, a closely watched multi-district litigation, which concerns the London Interbank Offered Rate (LIBOR) rigging scandal.

In *In re China North East Petroleum Corp. Securities Litigation*, Jeremy achieved a significant victory for shareholders in the United States Court of Appeals for the Second Circuit, whereby the Appeals Court ruled that a temporary rise in share price above its purchase price in the aftermath of a corrective disclosure did not eviscerate an investor's claim for damages. The Second Circuit's decision was deemed "precedential" by the *New York Law Journal* and provides critical guidance for assessing damages in a § 10(b) action.

Jeremy had an integral role in *In re Comverse Technology, Inc. Securities Litigation*, in which he and his partners achieved a historic \$225 million settlement on behalf of the Class, which was the second-largest options backdating settlement to date.

Jeremy regularly consults with Pomerantz's international institutional clients, including pension funds, regarding their rights under the U.S. securities laws. Jeremy is working with the Firm's international clients to craft a response to the Supreme Court's ruling in *Morrison v. National Australia Bank, Ltd.*, which limited the ability of foreign investors to seek redress under the federal securities laws.

Jeremy is a frequent lecturer worldwide regarding current corporate governance and securities litigation issues.

Jeremy graduated from Fordham University School of Law in 2002. While in law school, he served as a staff member of the *Fordham Urban Law Journal*. Upon graduation, he began his career at a major New York law firm as a litigation associate, where he specialized in complex commercial litigation.

Jeremy is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York, the Southern District of Texas, the District of Colorado, the Eastern District of Michigan, the Eastern District of Wisconsin, and the Northern District of Illinois; the United States Courts of Appeals for the First, Second, Third, Fourth, Fifth, Sixth, Ninth, and Tenth Circuits; and the United States Supreme Court.

Gustavo F. Bruckner

Gustavo F. Bruckner heads Pomerantz's Corporate Governance practice group, which enforces shareholder rights and prosecutes litigation challenging corporate actions that harm shareholders. Under Gustavo's leadership, the Corporate Governance group has achieved numerous noteworthy litigation successes. He has been quoted on corporate governance issues by *The New York Times*, *The*

Wall Street Journal, *Bloomberg*, *Law360*, and *Reuters*, and was honored from 2016 through 2021 by Super Lawyers® as a “Top-Rated Securities Litigation Attorney,” a recognition bestowed on no more than 5% of eligible attorneys in the New York Metro area. Gustavo regularly appears in state and federal courts across the nation. Gustavo presented at the prestigious Institute for Law and Economic Policy conference.

Gustavo is a fierce advocate of aggressive corporate clawback policies that allow companies to recover damages from officers and directors for reputational and financial harm. Most recently, in *McIntosh vs Keizer, et al.*, Docket No. 2018-0386 (Del. Ch.), Pomerantz filed a derivative suit on behalf of Hertz Global Holdings, Inc. shareholders, seeking to compel the Hertz board of directors to claw back millions of dollars in unearned and undeserved payments that the Company made to former officers and directors who significantly damaged Hertz through years of wrongdoing and misconduct. Under pressure from plaintiff’s litigation efforts, the Hertz board of directors elected to take unprecedented action and mooted plaintiff’s claims, initiating litigation to recover tens of millions of dollars in incentive compensation and more than \$200 million in damages from culpable former Hertz executives.

Pomerantz through initiation and prosecution of a shareholder derivative action, forced the Hertz board to seek clawback from former officers and directors of the company, unjustly enriched after causing the Company to file inaccurate and false financial statements leading to a \$235 million restatement and \$16 million fee to the SEC.

In September 2017, Gustavo’s Corporate Governance team achieved a settlement in New Jersey Superior Court that provided non-pecuniary benefits for a non-opt out class. In approving the settlement, Judge Julio Mendez, of Cape May County Chancery Division, became the first New Jersey state court judge to formally adopt the Third Circuit’s nine-part *Girsh* factors, *Girsh v. Jepsen*, 521 F.2d 153 (3d Cir. 1975). Never before has there been a published New Jersey state court opinion setting out the factors a court must consider in evaluating whether a class action settlement should be determined to be fair and adequate.

Gustavo successfully argued *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch. 2015), obtaining a landmark ruling in Delaware that bylaws adopted after shareholders are cashed out do not apply to shareholders affected by the transaction. In the process, Gustavo and the Corporate Governance team beat back a fee-shifting bylaw and were able to obtain a 25% price increase for members of the class cashed out in the “going private” transaction. Shortly thereafter, the Delaware Legislature adopted legislation to ban fee-shifting bylaws.

In *Stein v. DeBoer* (Or. Cir. Ct. 2017), Gustavo and the Corporate Governance group achieved a settlement that provides significant corporate governance therapeutics on behalf of shareholders of Lithia Motors, Inc. The company’s board had approved, without meaningful review, the Transition Agreement between the company and Sidney DeBoer, its founder, controlling shareholder, CEO, and Chairman, who was stepping down as CEO. DeBoer and his son, the current CEO, negotiated virtually all the material terms of the Agreement, by which the company agreed to pay the senior DeBoer \$1,060,000 and a \$42,000 car allowance annually for the rest of his life, plus other benefits, in addition to the \$200,000 per year that he would receive for continuing to serve as Chairman.

In *Miller v. Bolduc*, No. SUCV 2015-00807 (Mass. Sup. Ct. 2015), Gustavo and the Corporate Governance group, by initiating litigation, caused Implant Sciences to hold its first shareholder annual meeting in 5 years and to place an important compensation grant up for a shareholder vote.

In *Strougo v. North State Bancorp*, No. 15 CVS 14696 (N.C. Super. Ct. 2015), Gustavo and the Corporate Governance team caused the North State Bancorp merger agreement to be amended to provide a “majority of the minority” provision for common shareholders in connection with the shareholder vote on the merger. As a result of the action, common shareholders had the ability to stop the merger if they did not wish it to go forward.

In *Hallandale Beach Police Officers and Firefighters’ Personnel Retirement Fund vs. Lululemon athletica, Inc.*, C.A. No. 8522-VCP (Del. Ch. 2014), in an issue of first impression in Delaware, Gustavo successfully argued for the production of the company chairman’s Rule 10b5-1 stock trading plan. The court found that a stock trading plan established by the company’s chairman, pursuant to which a broker, rather than the chairman himself, would liquidate a portion of the chairman’s stock in the company, did not preclude potential liability for insider trading.

Gustavo was Co-Lead Counsel in *In re Great Wolf Resorts, Inc. Shareholders Litigation*, C.A. No. 7328-VCN (Del. Ch. 2012), obtaining the elimination of stand-still provisions that allowed third parties to bid for Great Wolf Resorts, Inc., resulting in the emergence of a third-party bidder and approximately \$94 million (57%) in additional merger consideration for Great Wolf shareholders.

Gustavo received his law degree in 1992 from the Benjamin N. Cardozo School of Law, where he served as an editor of the Moot Court Board and on the Student Council. Upon graduation, he received the award for outstanding student service.

After graduating law school, Gustavo served as Chief-of-Staff to a New York City legislator.

Gustavo is a Mentor and Coach to the NYU Stern School of Business, Berkley Center for Entrepreneurial Studies, New Venture Competition. He was a University Scholar at NYU where he obtained a B.S. in Marketing and International Business in 1988 and an MBA in Finance and International Business in 1989.

Gustavo is a Trustee and former Treasurer of the Beit Rabban Day School, and an arbitrator in the Civil Court of the City of New York.

Gustavo is admitted to practice in New York and New Jersey; the United States District Courts for the Eastern, Northern, and Southern Districts of New York and the District of New Jersey; the United States Courts of Appeals for the Second and Seventh Circuits; and the United States Supreme Court.

Emma Gilmore

Emma Gilmore is a Partner at Pomerantz and is regularly involved in high-profile class-action litigation. In 2021, Emma was awarded a spot on *National Law Journal’s* prestigious Elite Women of the Plaintiffs Bar list. In 2021 and 2020, she was named by Benchmark Litigation as one of the Top 250 Women in Litigation — an honor bestowed on only seven plaintiffs’ lawyers in the U.S. those years. The *National Law Journal* and the *New York Law Journal* honored her as a “Plaintiffs’ Lawyer Trailblazer”. Emma was

honored by Law360 in 2018 as an MVP in Securities Litigation, part of an “elite slate of attorneys [who] have distinguished themselves from their peers by securing hard-earned successes in high-stakes litigation, complex global matters and record-breaking deals.” Only up to six attorneys nationwide are selected each year as MVPs in Securities Litigation. Emma is the first woman plaintiff attorney to receive this outstanding award since it was initiated in 2011. Emma has been honored since 2018 as a Super Lawyer®. She has been recognized by Lawdragon as one of the top 500 Leading Plaintiff Financial Lawyers.

Emma is regularly invited to speak about recent trends and developments in securities litigation. She serves on the New York City Bar Association’s Securities Litigation Committee. Emma regularly counsels clients around the world on how to maximize recoveries on their investments.

Emma played a leading role in the Firm’s class action case in the Southern District of New York against Brazil’s largest oil company, Petrobras, arising from a multi-billion-dollar kickback and bribery scheme, in which the Firm was sole Lead Counsel. In a significant victory for investors, Pomerantz achieved a historic \$3 billion settlement with Petrobras. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a class action involving a foreign issuer, the fifth-largest class action settlement ever achieved in the United States, and the largest settlement achieved by a foreign lead plaintiff. The biggest instance of corruption in the history of Brazil had ensnared not only Petrobras’ former executives but also Brazilian politicians, including former president Lula da Silva and one-third of the Brazilian Congress. Emma traveled to Brazil to uncover evidence of fraud and drafted the complaint. She deposed and defended numerous fact and expert witnesses, including deposing the former CEO of Petrobras, the whistleblower, and the chief accountant. She drafted the appellate brief, playing an instrumental role in securing a significant victory for investors in this case at the Second Circuit Court of Appeals, when the Court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by other circuit courts. She opposed defendants’ petition for a writ of certiorari to the Supreme Court. Emma successfully obtained sanctions against a professional objector challenging the integrity of the settlement, both in the District Court and in the Court of Appeals for the Second Circuit.

Emma organized a group of twenty-seven of the foremost U.S. scholars in the field of evidence and spearheaded the effort to submit an amicus brief to the U.S. Supreme Court on their behalf in a critical issue for investors. One of the two pending issues before the High Court in *Goldman Sachs Group Inc. et al v. Arkansas Teachers Retirement System, et al.* (No. 20-222) squarely affected investors’ ability to pursue claims collectively as a class: whether, in order to rebut the presumption of reliance originated by the Court in the landmark *Basic v. Levinson* decision, defendants bear the burden of persuasion, or whether they bear only the much lower burden of production. The scholars argued that defendants carry the higher burden of persuasion. In a 6-3 decision, the Supreme Court sided with Pomerantz and the scholars.

Emma is currently pursuing claims against Deutsche Bank for its lending activities to disgraced financier Jeffrey Epstein.

Emma is Lead Counsel in the Firm's class action litigation against Arconic, arising from the deadliest U.K. fire in more than a century.

Emma played a leading role in *Strougo v. Barclays PLC*, a high-profile securities class action that alleged Barclays PLC misled institutional investor clients about the extent of the banking giant's use of so-called "dark pool" trading systems. She drafted the complaint, defeated defendants' efforts to dismiss the action, and contributed to securing an important precedent-setting opinion from the Second Circuit. Emma organized a group of leading evidence experts who filed amicus briefs supporting plaintiffs' position in the Second Circuit.

Emma was Lead Counsel in the high-profile class action litigation against Yahoo! Inc., in which the Firm, as Lead Counsel, achieved an \$80 million settlement for the Class. The case involved the biggest data breaches in U.S. history, in which over 3 billion Yahoo accounts were compromised.

Among other cases, Emma is part of the team prosecuting securities fraud claims against BP on behalf of many foreign and domestic public and private pension funds arising from the company's 2010 Deepwater Horizon oil spill. *In re BP p.l.c. Sec. Litig.*, No. 10-md-2185 (S.D. Tex.). She helped devise a cutting-edge strategy that established the right of individual foreign investors who purchased foreign-traded shares of a foreign corporation to pursue claims for securities fraud in a U.S. court, thereby overcoming obstacles created by the U.S. Supreme Court's 2010 decision in *Morrison v. National Australia Bank Ltd.*

Emma secured a unanimous decision by a panel of the Ninth Circuit Court of Appeals, benefiting defrauded investors in *Costa Brava Partnership III LP v. ChinaCast Education Corp.* In an issue of first impression, the Ninth Circuit held that imputation of the CEO's scienter to the company was warranted vis-a-vis innocent third parties, despite the fact that the executive acted for his own benefit and to the company's detriment.

She has also devoted a significant amount of time to pro bono matters. She played a critical role in securing a unanimous ruling by the Arkansas Supreme Court striking down as unconstitutional a state law banning cohabiting individuals from adopting children or serving as foster parents. The ruling was a relief for the 1,600-plus children in the state of Arkansas who needed a permanent family. The litigation generated significant publicity, including coverage by the *Arkansas Times*, the *Wall Street Journal*, and the *New York Times*.

Before joining Pomerantz, Emma was a litigation associate with the firms of Skadden, Arps, Slate, Meagher and Flom, LLP, and Sullivan & Cromwell, LLP. She worked on the *WorldCom Securities Litigation*, which settled for \$2 billion.

She also served as a law clerk to the Honorable Thomas C. Platt, former U.S. Chief Judge for the Eastern District of New York.

Emma graduated *cum laude* from Brooklyn Law School, where she served as a staff editor for the *Brooklyn Law Review*. She was the recipient of two CALI Excellence for the Future Awards, being the highest scoring student in the subjects of evidence and discovery. She graduated *summa cum laude* from Arizona State University, with a BA in French and a minor in Business.

She serves on the Firm's Anti-Harassment and Discrimination Committee.

Inc. arising out of the biggest data breaches in U.S. history, in which the Firm, as Lead Counsel, achieved an \$80 million settlement on behalf of the Class. In June 2021, the district court handed down an important victory for shareholders when it granted J&J's and the Intervenor's Motion to Dismiss.

Michael is the co-author of a chapter on damages in securities class actions in the LexisNexis treatise, *Litigating Securities Class Actions*.

He was also Lead or Co-Lead Counsel in *In re MannKind Corp. Securities Litigation* (\$23 million settlement); *In re AVEO Pharmaceuticals, Inc. Securities Litigation* (\$18 million settlement, more than four times larger than the SEC's fair fund recovery in parallel litigation); *New Mexico State Investment Council v. Josh, together with Managing Partner Jeremy Lieberman, achieved a critical victory for investors in the securities fraud class action against Perrigo Co. plc when Judge Arleo of the United States District Court for the District of New Jersey certified classes of investors that purchased Perrigo securities on both the New York Stock Exchange and the Tel Aviv Stock Exchange. Pomerantz represents a number of institutional investors that purchased Perrigo securities on both exchanges after an offer by Mylan N.V. to tender Perrigo shares. This is the first time since *Morrison* that a U.S. court has independently analyzed the market of a security traded on a non-U.S. exchange, and found that it met the standards of market efficiency necessary allow for class certification.

Several of Josh's cases have set important precedent. For example, *In re MannKind* established that investors may support complaints with expert information. *New Mexico v. Countrywide* recognized that investors may show Section 11 damages for asset-backed securities even if there has been no interruption in payment or threat of default. More recently, *NantKwest* was the first Section 11 case in the nation to recognize statistical proof of traceability.

In addition to prosecuting cases, Josh regularly speaks at investor conferences and continuing legal education programs.

Before joining Pomerantz, Josh practiced at McGuireWoods LLP and its Chicago predecessor, Ross & Hardies, where he represented one of the largest independent futures commission merchants in commodities fraud and civil RICO cases. He also spent two years as a securities trader, and continues to actively trade stocks, futures, and options for his own account.

Josh is a 1993 graduate of the University of Michigan, where he received Phi Beta Kappa honors, and a 1996 graduate of the University of Michigan Law School.

Josh is admitted to practice in Illinois; the United States District Court for the Northern District of Illinois; the United States Courts of Appeals for the First, Second, Third, Seventh, Eighth and Ninth Circuits; and the United States Supreme Court.

Brenda Szydlo

Brenda Szydlo joined Pomerantz in January 2016 as Of Counsel and was elevated to Partner in 2022. She brings to the Firm extensive experience in complex civil litigation in federal and state court on behalf of plaintiffs and defendants, with a particular focus on securities and financial fraud litigation, litigation against pharmaceutical corporations, accountants' liability, and commercial litigation. She was honored as a Super Lawyers® "Top-Rated Securities Litigation Attorney" in 2020 and 2022.

Brenda played a leading role in the Firm's securities class action case in the Southern District of New York against Brazil's largest oil company, Petrobras, arising from a multi-billion-dollar kickback and bribery scheme, in which the Firm, as sole Lead Counsel, achieved a precedent-setting legal ruling and a historic \$3 billion settlement for the Class. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

Brenda has represented investors in additional class and private actions that have resulted in significant recoveries, such as *In re Pfizer, Inc. Securities Litigation*, where the recovery was \$486 million, and *In re Refco, Inc. Securities Litigation*, where the recovery was in excess of \$407 million. She has also represented investors in opt-out securities actions, such as investors opting out of *In re Bank of America Corp. Securities, Derivative & ERISA Litigation* in order to pursue their own securities action.

Prior to joining Pomerantz, Brenda served as Senior Counsel in a prominent plaintiff advocacy firm, where she represented clients in securities and financial fraud litigation, and litigation against pharmaceutical corporations and accounting firms. Brenda also served as Counsel in the litigation department of one of the largest premier law firms in the world, where her practice focused on defending individuals and corporation in securities litigation and enforcement, accountants' liability actions, and commercial litigation.

Brenda is a graduate of St. John's University School of Law, where she was a St. Thomas More Scholar and member of the Law Review. She received a B.A. in economics from Binghamton University.

Brenda is admitted to practice in New York; United States District Courts for the Southern and Eastern Districts of New York; the U.S. Courts of Appeals for the Second and Ninth Circuits; and the United States Supreme Court.

Matthew L. Tuccillo

A Partner since 2013, Matthew L. Tuccillo joined Pomerantz in 2011. With 22+ years of experience, he is recognized as a top national securities litigator.

Matt was named a Super Lawyers® "Top-Rated Securities Litigation Attorney" (2016-present), Legal 500 recommended securities litigator (2021, 2016), Benchmark Litigation Star (2021), American Lawyer Northeast Trailblazer (2021), Lawdragon Leading Plaintiff Financial Lawyer (2019-2020), Lawyer Monthly's 2018 U.S. Federal Tort Lawyer of the Year (2018), and Martindale-Hubbell AV® Preeminent™ peer-rated attorney (2014-present). His advocacy has been covered by Bloomberg, Law360, the Houston Chronicle, the Hartford Business Journal, and other outlets.

Matt regularly serves as Pomerantz's lead litigator on securities fraud lawsuits pending nationwide, including these representative matters:

- In *Edwards v. McDermott Int'l, Inc.*, No. 4:18-cv-4330-AB (S.D. Tex.), Matt successfully opposed a motion to dismiss class action claims alleging a multi-year, several-prong fraud by a leading oil and gas technology, engineering, and construction company that completed a risky merger, belatedly reported massive write-downs of distressed projects, and declared bankruptcy. The lawsuit is proceeding through discovery.
- In *Odonate Therapeutics, Inc., et al.*, No. 3:20-01828-H-LL (S.D. Cal.), Matt successfully opposed a motion to dismiss in a securities lawsuit arising from a company's failure to complete clinical trials and gain FDA approval of a drug candidate. Notably, the court held that defendants' scienter was sufficiently alleged, even though they bought, rather than sold, company stock

during the period of alleged fraud. After a mediation, the case settled for \$12.75 million, and the settlement was granted preliminary approval by the court in early 2022.

- In *Chun v. Fluor Corp., et al.*, No. 3:18-cv-01338-S (N.D. Tex.), working with co-lead counsel, Matt succeeded in partially opposing the motion to dismiss a class action lawsuit alleging a company's underbidding and misrepresenting the status of large, fixed-price projects. After a lengthy mediation process, a tentative settlement has been reached, for which court approval will be sought in early 2022.
- In *Crutchfield v. Match Group, et al.*, No. 3:19-cv-2356 (N.D. Tex.), Matt persuaded the court, after an initial dismissal, to uphold a second amended complaint alleging a multi-year, multi-prong fraud by the largest online dating company, based on misstatements and nondisclosures as to underlying bad actor user accounts, marketing based thereon, and the impacts to the company's GAAP-compliant reported results. The lawsuit is proceeding through discovery.
- In *In re BP p.l.c. Secs. Litig.*, No. 4:10-md-2185 (S.D. Tex.), where the court praised the "uniformly excellent" "quality of lawyering," Matt spearheaded lawsuits over BP's Gulf of Mexico oil spill by 125+ global institutional investors. Over 9 years, he successfully opposed three motions to dismiss, oversaw e-discovery of 1.75 million documents, led the Plaintiffs Steering Committee, was the sole interface with BP and the Court, and secured some of the Firm's most ground-breaking rulings. In a ruling of first impression, he successfully argued that investors asserted viable English law "holder claims" for losses due to retention of already-owned shares in reliance on a fraud, a theory barred under U.S. law since *Blue Chip Stamps v. Manor Drug Stores*, 421 U.S. 723 (1975). He successfully argued against *forum non conveniens* (wrong forum) dismissal of 80+ global institutions' lawsuits - the first ruling after *Morrison v. Nat'l Australia Bank Ltd.*, 130 S. Ct. 2869 (2010), to permit foreign investors to pursue in U.S. court their foreign law claims for losses in a foreign company's securities traded on a foreign exchange. He successfully argued that the U.S. Securities Litigation Uniform Standards Act of 1998 (SLUSA), which extinguishes U.S. state law claims in deference to the U.S. federal law, should not extend to the foreign law claims of U.S. and foreign investors, a ruling that saved those claims from dismissal where U.S. federal law afforded no remedy after *Morrison*. In 2021, Matt achieved mediator-assisted, confidential, favorable monetary settlement for all 35 Firm clients, including public and private pension funds, money management firms, partnerships, and trusts from the U.S., Canada, the U.K., France, the Netherlands, and Australia.
- In *In re Toronto-Dominion Bank Sec. Litig.*, No. 1:17-cv-01735 (D.N.J.), Matt pled a multi-year fraud arising at one of Canada's largest banks, based on extensive statements by former employees detailing underlying retail banking misconduct. Matt persuaded the court to reject defendants' motion to dismiss and to approve a \$13.25 million class-wide settlement.
- In *Perez v. Higher One Holdings, Inc., et al.*, No. 14-cv-00755-AWT (D. Conn.), Matt persuaded the court, after an initial dismissal, to uphold a second amended complaint asserting five threads of fraud by an education funding company and its founders and to approve a \$7.5

million class-wide settlement. Notably, the court held that the company's reported financial results violated SEC Regulation S-K, Item 303, for failure to disclose known trends and impacts from underlying misconduct – a rare ruling absent an accounting restatement.

- *In re KaloBios Pharmaceuticals, Inc. Sec. Litig.*, No. 15-cv-05841 (N.D. Cal.) concerned a bankrupt drug company and its jailed ex-CEO. Matt negotiated two class-wide settlements totaling \$3.25+ million, including cash payments and stock from the company, approved by the bankruptcy court and district court.
- *In re Silvercorp Metals, Inc. Sec.s Litig.*, No. 1:12-cv-09456 (S.D.N.Y.) concerned a Canadian company with mining operations in China and NYSE-traded stock. Matt worked with mining, accounting, damages, and market efficiency experts to survive a motion to dismiss, oversee discovery, and negotiate a \$14 million class-wide settlement after two mediations. In approving the settlement, Judge Rakoff called the case was “unusually complex,” given the technical nature of mining metrics, the need to compare mining standards in Canada, China, and the U.S., and the volume of Chinese-language evidence.

Matt's prior casework includes litigation and resolution of complex disputes over roll up combinations. At Pomerantz, he was on the multi-firm team that litigated and settled *In re Empire State Realty Trust, Inc. Investor Litig.*, No. 650607/2012 (N.Y. Sup. Ct.), representing investors in public and private commercial real estate interests against the Empire State Building's long-term lessees/operators regarding a consolidation, REIT formation, and IPO centered around it. These efforts achieved broad class-wide relief, including a \$55 million cash/securities settlement fund, a \$100 million tax benefit from restructured terms, remedial disclosures, and deal protections.

Matt regularly counsels institutional investors, both foreign and domestic, regarding pending or contemplated complex litigation in the U.S. He is skilled at identifying potential securities frauds early, regularly providing clients with the first opportunity to evaluate and pursue their claims, and he has worked extensively with outside investment management firms retained by clients to identify a winning set of supporting evidence. When litigation is filed, he fully oversees its conduct and resolution, counseling clients throughout every step of the process. These skills have enabled him to sign numerous institutional clients for litigation and portfolio monitoring services, including public and private pension plans, investment management firms and sponsored investment vehicles, from both the U.S. and abroad. Matt's clients have successfully litigated claims in the BP, McDermott, and Fluor litigations discussed above.

Matt's signed clients include public and private pension funds and money management firms from the U.S. and abroad. He takes great pride in representing union clients. He got his own union card as a teenager (United Food & Commercial Workers International Union, Local 371), following in the footsteps of his grandfather (International Brotherhood of Teamsters, Local 560).

Before joining Pomerantz, Matt worked at a large full-service firm and plaintiff-side boutique firms in Boston and Connecticut, litigating complex business disputes and securities, consumer, and employment

class actions. His pro bono work included securing Social Security benefits for a veteran with non-service-related disabilities.

At the Georgetown University Law Center, Matt made the Dean's List, competed on and coached award-winning teams in the Jessup International Law Moot Court Competition, and was Foreign Publications Editor of the Georgetown International Environmental Law Review. He represented Virginia's Mattaponi Tribe, as part of Georgetown's top-ranked clinical program, in its fight to block a Virginia dam project on ancestral burial grounds.

Matt earned his undergraduate degree from Wesleyan University and has devoted countless post-graduate hours to developing and supporting its pre-law programs and counseling its students and young alumni interested in the legal profession. Matt served as President of the Wesleyan Lawyers Association from 2017-2020.

Since 2015, Matt has served as volunteer Director of his children's award-winning elementary school and middle school chess clubs, whose 100+ members compete in external tournaments; participate in goodwill exchanges to spread the game to other children; won 2018, 2019, and 2020 grade-level and divisional State Championships; and were named the Connecticut 2021 Scholastic Chess Clubs of the Year.

Austin P. Van

Austin focuses his practice on high-profile securities class actions. In 2020, Austin was named by Law360 in 2020 as an MVP in Securities Litigation, part of an "elite slate of attorneys [who] have distinguished themselves from their peers by securing hard-earned successes in high-stakes litigation, complex global matters and record-breaking deals." Only up to six attorneys nationwide are selected each year as MVPs in Securities Litigation. Austin was named to Benchmark Litigation's "40 and Under Hotlist" in 2020 and 2021. Austin has been recognized by Lawdragon as one of the top 500 Leading Plaintiff Financial Lawyers and has been named as a Recommended Lawyer by The Legal 500. Every year from 2018 through 2021, Austin has been honored as a Super Lawyers® Rising Star.

With Pomerantz Managing Partner Jeremy Lieberman, Austin heads the firm's representation of lead plaintiffs in a securities class action against drug behemoth Mylan N.V. This multi-billion-dollar litigation is one of the largest securities class actions pending anywhere. The complaint alleges that Mylan misled investors about wide-ranging wrongful conduct in what some estimate to be the largest price-fixing conspiracy in U.S. history. Austin devised the central theories of the case and authored all three amended complaints in this matter, which has continued to expand. He authored all of lead plaintiffs' three successful opposition briefs to defendants' motions to dismiss, in 2018, 2019, and 2020 respectively, as well as lead plaintiffs' successful arguments for class certification in 2019. In April 2020, the court rejected the Defendants' motion to dismiss the third amended complaint in a precedent-setting decision concerning scheme liability, and certified a class of investors spanning five years, all based on Austin's arguments. He led fact discovery in the matter, which consisted of review and distillation of millions of documents, orchestrated the Class's thirty fact depositions, and most recently, completed overseeing the Class's submission of five expert reports, totaling thousands of pages of expert disclosures.

Austin was in charge of Pomerantz's securities class action against TechnipFMC, an oil and gas services provider. He uncovered the theory of this case: that TechnipFMC massively overstated its net income in its initial registration statement due to its use of incorrect foreign exchange rates. Austin successfully argued at oral argument in 2018 that the Court should deny defendants' motion to dismiss the central claim in the matter. In 2019, Austin successfully argued lead plaintiff's motion for class certification. He led the class through complete preparations for trial. The case settled in 2020 for approximately \$20 million.

Austin led a successful securities class action at Pomerantz against Rockwell Medical, Inc. and served as co-lead counsel on the matter with another firm. Austin extensively investigated the facts of this case and drafted the operative complaint. At a pre-motion conference for Defendants' motion to dismiss, District Senior Judge Allyn R. Ross stated: "based on what I have reviewed, it is virtually inconceivable to me that the consolidated amended complaint could possibly be dismissed on a Rule 12(b)(6) motion or a Rule 9(b) motion" and that the proposed motion practice "would be a complete waste of time and resources of counsel, of the clients' money, and my time." Defendants declined even to move to dismiss the complaint and settled the case in 2019 for \$3.7 million—a highly favorable settlement for the Class.

Austin received a J.D. from Yale Law School, where he was an editor of the Yale Law Journal and the Yale Journal of International Law. He has a B.A. from Yale University and an M.Sc. from the London School of Economics.

Austin is admitted to practice law in New York and New Jersey; the United States District Courts for the Southern and Eastern Districts of New York, the District of New Jersey, the Northern District of Illinois, and the Southern District of Texas; and the United States Courts of Appeals for the First and Second Circuits.

Murielle Steven Walsh

Murielle Steven Walsh joined the Firm in 1998 and was elevated to Partner in 2007. In 2022, Murielle was selected to participate on Law360's Securities Editorial Board. She was named a 2020 Plaintiffs' Lawyer Trailblazer by the *National Law Journal*, an award created to "honor a handful of individuals from each practice area that are truly agents of change" and was also honored as a 2020 Plaintiffs' Trailblazer by the *New York Law Journal*. Murielle was honored in 2019, 2020 and 2021 as a Super Lawyers® "Top-Rated Securities Litigation Attorney," a recognition bestowed on 5% of eligible attorneys in the New York Metro area. Lawdragon named her a Top Plaintiffs' Financial Lawyer in 2019 and 2020.

During her career at Pomerantz, Murielle has prosecuted highly successful securities class action and corporate governance cases. She was one of the lead attorneys litigating *In re Livent Noteholders' Securities Litigation*, a securities class action in which she obtained a \$36 million judgment against the company's top officers, a ruling which was upheld by the Second Circuit on appeal. Murielle was also part of the team litigating *EBC I v. Goldman Sachs*, where the Firm obtained a landmark ruling from the New York Court of Appeals, that underwriters may owe fiduciary duties to their issuer clients in the context of a firm-commitment underwriting of an initial public offering.

Murielle leads the Firm's securities class action against Wynn Resorts Ltd., in which Pomerantz is lead counsel. The litigation arises from the company's concealment of a long-running pattern of sexual misconduct against Wynn employees by billionaire casino mogul Stephen Wynn, the company's founder and former Chief Executive Officer. In May 2020, the court granted the defendants' motion to dismiss while granting Pomerantz leave to amend. Pursuant to submission of Pomerantz's amended complaint, in July 2021 the court denied, in part defendant's motion to dismiss, stating that, "The inference that these defendants were aware of Wynn's alleged misconduct at the time of their statements is cogent and compelling." *Ferris v. Wynn Resorts Ltd.*, No. 18-cv-479 (D. Nev.).

In a securities class action against Ormat Technologies, Inc., Murielle achieved a \$3,750,000 settlement on behalf of defrauded investors in January 2021. Ormat's securities are dual-listed on the NYSE and the Tel Aviv Stock Exchange. Murielle persuaded the district court to exercise supplemental jurisdiction in order to apply U.S. securities law to the claims in the case, regardless of where investors purchased their securities.

Murielle led the Firm's ground-breaking litigation that arose from the popular Pokémon Go game, in which Pomerantz was lead counsel. Pokémon Go is an "augmented reality" game in which players use their smart phones to "catch" Pokémon in real-world surroundings. GPS coordinates provided by defendants to gamers included directing the public to private property without the owners' permission, amounting to an alleged mass nuisance. *In re Pokémon Go Nuisance*, No. 3:16-cv-04300 (N.D. Cal.)

Murielle was co-lead counsel in *Thorpe v. Walter Investment Management Corp.*, No. 14-cv-20880 (S.D. Fla.), a securities fraud class action challenging the defendants' representations that their lending activities were regulatory-compliant, when in fact the company's key subsidiary engaged in rampant violations of federal consumer financial protection laws, subjecting it to various government investigations and a pending enforcement action by the CFPB and FTC. In 2016, the Firm obtained a \$24 million settlement on behalf of the class. She is also co-lead counsel in *Robb v. Fitbit Inc.*, No. 16-cv-00151 (N.D. Cal.), a securities class action alleging that the defendants misrepresented that their key product delivered "highly accurate" heart rate readings when in fact their technology did not consistently deliver accurate readings during exercise and its inaccuracy posed serious health risks to users of Fitbit's products. The Firm obtained a \$33 million settlement on behalf of the investor class in this action.

In 2018 Murielle, along with then-Senior Partner Jeremy Lieberman, achieved a \$3,300,000 settlement for the Class in the Firm's case against Corinthian Colleges, one of the largest for-profit college systems in the country, for alleged misrepresentations about its job placement rates, compliance with applicable regulations, and enrollment statistics. Pomerantz prevailed in the motion to dismiss the proceedings, a particularly noteworthy victory because Chief Judge George King of the Central District of California had dismissed two prior lawsuits against Corinthian with similar allegations. *Erickson v. Corinthian Colleges, Inc.*, No. 2:13-cv-07466 (C.D. Cal.).

Murielle serves as a member and on the Executive Committee of the Board of Trustees of the non-profit organization Court Appointed Special Advocates for Children ("CASA") of Monmouth County. She served on the Honorary Steering Committee of Equal Rights Advocates ("ERA"), which focuses on and discusses specific issues that women face in the legal profession. ERA is an organization that protects and expands

economic and educational access and opportunities for women and girls. In the past, Murielle served as a member of the editorial board for Class Action Reports, a Solicitor for the Legal Aid Associates Campaign, and has been involved in political asylum work with the Association of the Bar of the City of New York.

Murielle serves on the Firm's Anti-Harassment and Discrimination Committee.

Murielle graduated *cum laude* from New York Law School in 1996, where she was the recipient of the Irving Mariash Scholarship. During law school, Murielle interned with the Kings County District Attorney and worked within the mergers and acquisitions group of Sullivan & Cromwell.

Murielle is admitted to practice in New York; the United States District Court for the Southern District of New York; and the United States Courts of Appeals for the Second and Sixth Circuits.

Tamar A. Weinrib

Tamar A. Weinrib joined Pomerantz in 2008. She was Of Counsel to the Firm from 2014 through 2018 and was elevated to Partner in 2019. In 2020, The Legal 500 honored her as a Next Generation Partner. Tamar was named a 2018 Rising Star under 40 years of age by Law360, a prestigious honor awarded to a select few "top litigators and dealmakers practicing at a level usually seen from veteran attorneys." Tamar has been recognized by Super Lawyers® as a 2021 "Top-Rated Securities Litigation Attorney;" she was honored as a New York Metro Rising Star every year from 2014 to 2019.

In 2019, Tamar and Managing Partner Jeremy Lieberman achieved a \$27 million settlement for the Class in *Strougo v. Barclays PLC*, a high-profile securities class action in which Pomerantz was Lead Counsel. Plaintiffs alleged that Barclays PLC misled institutional investor clients about the extent of the banking giant's use of so-called "dark pool" trading systems. This case turned on the duty of integrity owed by Barclays to its clients. In November 2016, Tamar and Jeremy achieved precedent-setting victories for investors, when the Second Circuit Court of Appeals held that direct evidence of price impact is not always necessary to demonstrate market efficiency to invoke the presumption of reliance, and that defendants seeking to rebut the presumption of reliance must do so by a preponderance of the evidence rather than merely meeting a burden of production. In 2018, Tamar successfully opposed Defendants' petition to the Supreme Court for a writ of certiorari.

In approving the settlement in *Strougo v. Barclays PLC* in June 2019, Judge Victor Marrero of the Southern District of New York stated:

Let me thank counsel on both sides for the extraordinary work both sides did in bringing this matter to a reasonable conclusion. As the parties have indicated, the matter was intensely litigated, but it was done in the most extraordinary fashion with cooperation, collaboration, and high levels of professionalism on both sides, so I thank you.

Tamar headed the litigation of *In re Delcath Systems, Inc. Securities Litigation*, in which Pomerantz achieved a settlement of \$8,500,000 for the class. She successfully argued before the Second Circuit in *In re China North East Petroleum Securities Litigation*, to reverse the district court's dismissal of the defendants on scienter grounds.

Among other securities fraud class actions that Tamar led to successful settlements are *KB Partners I, L.P. v. Pain Therapeutics, Inc.* (\$8,500,000); *New Oriental Education & Technology Group, Inc.* (\$3,150,000 pending final approval); and *Whiteley v. Zynerva Pharmaceuticals Inc. et al.* (\$4,000,000 pending final approval).

Before coming to Pomerantz, Tamar had over three years of experience as a litigation associate in the New York office of Clifford Chance US LLP, where she focused on complex commercial litigation. Tamar has successfully tried pro bono cases, including two criminal appeals and a housing dispute filed with the Human Rights Commission.

Tamar graduated from Fordham University School of Law in 2004 and while there, won awards for successfully competing in and coaching Moot Court competitions.

Tamar is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York; and the United States Courts of Appeals for the Second, Third, Fourth, and Ninth Circuits.

Michael J. Wernke

Michael J. Wernke joined Pomerantz as Of Counsel in 2014 and was elevated to Partner in 2015. He was named a 2020 Plaintiffs' Lawyer Trailblazer by the *National Law Journal*, an award created to "honor a handful of individuals from each practice area that are truly agents of change."

Michael, along with Managing Partner Jeremy Lieberman, led the litigation in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y.), in which the Firm, as Lead Counsel, achieved a \$110 million settlement for the class. This high-profile securities class action alleges that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with "defeat device" software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provides the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

Michael led the securities class action *Zwick Partners, LP v. Quorum Health Corp., et al.*, No. 3:16-cv-2475, achieving a settlement of \$18,000,000 for the class in June 2020. The settlement represented between 12.7% and 42.9% of estimated recoverable damages. Plaintiff alleged that defendants misrepresented to investors the poor prospects of hospitals that the parent company spun off into a stand-alone company. In defeating defendants' motions to dismiss the complaint, Michael successfully argued that company from which Quorum was spun off was a "maker" of the false statements even though all the alleged false statements concerned only Quorum's financials and the class involved only purchasers of Quorum's common stock. This was a tremendous victory for plaintiffs, as cases alleging false statements of goodwill notoriously struggle to survive motions to dismiss.

Along with Managing Partner Jeremy Lieberman, Michael leads the Firm's individual action against pharmaceutical giant Teva Pharmaceutical Industries Ltd. and Teva Pharmaceuticals USA, Inc. (together, "Teva"), and certain of Teva's current and former employees and officers, relating to alleged

anticompetitive practices in Teva's sales of generic drugs. Teva is a dual-listed company; the Firm represents several Israeli institutional investors who purchased Teva shares on the Tel Aviv Stock Exchange. In early 2021, Pomerantz achieved a major victory for global investors when the district court agreed to exercise supplemental jurisdiction over the Israeli law claims. *Clal Insurance Company Ltd. v. Teva Pharmaceutical Industries Ltd.*

In December 2018, Michael, along with Pomerantz Managing Partner Jeremy A. Lieberman, secured a \$31 million partial settlement with three defendants in *In re Libor Based Financial Instruments Antitrust Litigation*, a closely watched multi-district litigation, which concerns the LIBOR rigging scandal.

In October 2018, Michael secured a \$15 million settlement in *In re Symbol Technologies, Inc. Securities Litigation*, No. 2:05-cv-03923-DRH-AKT (E.D.N.Y.), a securities class action that alleges that, following an accounting fraud by prior management, Symbol's management misled investors about state of its internal controls and the Company's ability to forecast revenues.

He was Lead Counsel in *Thomas v. Magnachip Semiconductor Corp.*, in which he achieved a \$23.5 million partial settlement with certain defendants, securing the settlement despite an ongoing investigation by the Securities and Exchange Commission and shareholder derivative actions. He played a leading role in *In re Lumber Liquidators, Inc. Securities Litigation*, in which Pomerantz, as Co-Lead Counsel, achieved a settlement of \$26 million in cash and 1,000,000 shares of Lumber Liquidators common stock for the Class. Michael also secured a \$7 million settlement (over 30% of the likely recoverable damages) in the securities class action *Todd v. STAAR Surgical Company, et. al.*, No. 14-cv-05263-MWF-RZ (C.D. Cal.), which alleged that STAAR concealed from investors violations of FDA regulations that threatened the approval of STAAR's long awaited new product.

In the securities class action *In re Atossa Genetics, Inc. Securities Litigation*, No. 13-cv-01836-RSM (W.D. Wash.), Michael secured a decision by the Ninth Circuit Court of Appeals that reversed the district court's dismissal of the complaint. The Ninth Circuit held that the CEO's public statements that the company's flagship product had been approved by the FDA were misleading despite the fact that the company's previously filed registration statement stated that that the product did not, at that time, require FDA approval.

During the nine years prior to coming to Pomerantz, Michael was a litigator with Cahill Gordon & Reindel LLP, with his primary focus in the securities defense arena, where he represented multinational financial institutions and corporations, playing key roles in two of only a handful of securities class actions to go to jury verdict since the passage of the PSLRA.

In 2020 and 2021, Michael was honored as a Super Lawyers® "Top Rated Securities Litigation Attorney." In 2014 and 2015, he was recognized as a Super Lawyers® New York Metro Rising Star.

Michael received his J.D. from Harvard Law School in 2004. He also holds a B.S. in Mathematics and a B.A. in Political Science from Ohio State University, where he graduated *summa cum laude*.

He serves on the Firm's Anti-Harassment and Discrimination Committee.

Michael is admitted to practice in New York and the United States District Court for the Southern District of New York.

Senior Counsel

Stanley M. Grossman

Stanley M. Grossman, Senior Counsel, is a former Managing Partner of Pomerantz. Widely recognized as a leader in the plaintiffs' securities bar, he was honored in 2020 with a Lifetime Achievement award by the *New York Law Journal*. Martindale Hubbell awarded Stan its 2021 AV Preeminent Rating®, "given to attorneys who are ranked at the highest level of professional excellence for their legal expertise, communication skills, and ethical standards by their peers." Stan was selected by *Super Lawyers*® as an outstanding attorney in the United States for the years 2006 through 2020 and was featured in the *New York Law Journal* article *Top Litigators in Securities Field -- A Who's Who of City's Leading Courtroom Combatants*. Lawdragon named Stan a Leading Plaintiff Financial Lawyer in 2019 and 2020. In 2013, Brooklyn Law School honored Stan as an Alumnus of the Year.

Stan has primarily represented plaintiffs in securities and antitrust class actions, including many of those listed in the Firm biography. See, e.g., *Ross v. Bernhard*, 396 U.S. 531 (1970); *Rosenfeld v. Black*, 445 F.2d 137 (2d Cir. 1971); *Wool v. Tandem Computers, Inc.*, 818 F.2d 1433 (9th Cir. 1987); and *In re Salomon Bros. Treasury Litig.*, 9 F.3d 230 (2d Cir. 1993). In 2008 he appeared before the United States Supreme Court to argue that scheme liability is actionable under Section 10(b) and Rule 10b-5(a) and (c). See *StoneRidge Inv. Partners, LLC v. Sci.-Atlanta, Inc.*, No. 06-43 (2008). Other cases where he was the Lead or Co-Lead Counsel include: *In re Salomon Brothers Treasury Litigation*, No. 91 Civ. 5471 (S.D.N.Y. 1994) (\$100 million cash recovery); *In re First Executive Corporation Securities Litigation*, No. CV-89-7135 (C.D. In 1992, Senior Judge Milton Pollack of the Southern District of New York appointed Stan to the Executive Committee of counsel charged with allocating to claimants hundreds of millions of dollars obtained in settlements with Drexel Burnham & Co. and Michael Milken.

Many courts have acknowledged the high quality of legal representation provided to investors by Stan. In *Gartenberg v. Merrill Lynch Asset Management, Inc.*, No. 79 Civ. 3123 (S.D.N.Y.), where Stan was lead trial counsel for plaintiff, Judge Pollack noted at the completion of the trial:

[I] can fairly say, having remained abreast of the law on the factual and legal matters that have been presented, that I know of no case that has been better presented so as to give the Court an opportunity to reach a determination, for which the court thanks you.

Stan was also the lead trial attorney in *Rauch v. Bilzerian* (N.J. Super. Ct.) (directors owed the same duty of loyalty to preferred shareholders as common shareholders in a corporate takeover), where the court described the Pomerantz team as "exceptionally competent counsel." He headed the six week trial on liability in *Walsh v. Northrop Grumman* (E.D.N.Y.) (a securities and ERISA class action arising from Northrop's takeover of Grumman), after which a substantial settlement was reached.

Stan frequently speaks at law schools and professional organizations. In 2010, he was a panelist on *Securities Law: Primary Liability for Secondary Actors*, sponsored by the Federal Bar Council, and he presented *Silence Is Golden – Until It Is Deadly: The Fiduciary’s Duty to Disclose*, at the Institute of American and Talmudic Law. In 2009, Stan was a panelist on a Practising Law Institute “Hot Topic Briefing” entitled *StoneRidge - Is There Scheme Liability or Not?*

Stan served on former New York State Comptroller Carl McCall’s Advisory Committee for the NYSE Task Force on corporate governance. He is a former president of NASCAT. During his tenure at NASCAT, he represented the organization in meetings with the Chairman of the Securities and Exchange Commission and before members of Congress and of the Executive Branch concerning legislation that became the PSLRA.

Stan served for three years on the New York City Bar Association’s Committee on Ethics, as well as on the Association’s Judiciary Committee. He is actively involved in civic affairs. He headed a task force on behalf of the Association, which, after a wide-ranging investigation, made recommendations for the future of the City University of New York. He was formerly on the board of the Appleseed Foundation, a national public advocacy group.

Stan is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York, Central District of California, Eastern District of Wisconsin, District of Arizona, District of Colorado; the United States Courts of Appeals for the First, Second, Third, Ninth and Eleventh Circuits; and the United States Supreme Court.

Patrick V. Dahlstrom

Patrick Dahlstrom joined Pomerantz as an associate in 1991 and was elevated to Partner in January 1996. He served as Co-Managing Partner with Jeremy Lieberman in 2017 and 2018 and is now Senior Counsel. Patrick heads the Firm's Chicago office. He was honored as a Super Lawyers® "Top-Rated Securities Litigation Attorney" from 2018 – 2021.

Patrick, a member of the Firm's Institutional Investor Practice and New Case Groups, has extensive experience litigating cases under the PSLRA. He led *In re Comverse Technology, Inc. Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.), in which the Firm, as Lead Counsel, recovered a \$225 million settlement for the Class – the second-highest ever for a case involving back-dating options, and one of the largest recoveries ever from an individual officer-defendant, the company's founder and former CEO. In *Comverse*, the Firm obtained an important clarification of how courts calculate the "largest financial interest" in connection with the selection of a Lead Plaintiff, in a manner consistent with *Dura Pharmaceuticals, Inc. v. Broudo*, 544 U.S. 336 (2005). Judge Garaufis, in approving the settlement, lauded Pomerantz: "The court also notes that, throughout this litigation, it has been impressed by Lead Counsel's acumen and diligence. The briefing has been thorough, clear, and convincing, and ... Lead Counsel has not taken short cuts or relaxed its efforts at any stage of the litigation."

In *DeMarco v. Robertson Stephens Inc.*, 228 F.R.D. 468 (S.D.N.Y. 2005), Patrick obtained the first class certification in a federal securities case involving fraud by analysts.

Patrick's extensive experience in litigation under the PSLRA has made him an expert not only at making compelling arguments on behalf of Pomerantz' clients for Lead Plaintiff status, but also in discerning weaknesses of competing candidates. *In re American Italian Pasta Co. Securities Litigation* and *Comverse* are the most recent examples of his success in getting our clients appointed sole Lead Plaintiff despite competing motions by numerous impressive institutional clients.

Patrick was a member of the trial team in *In re ICN/Viratek Securities Litigation* (S.D.N.Y. 1997), which, after trial, settled for \$14.5 million. Judge Wood praised the trial team: "[P]laintiffs counsel did a superb job here on behalf of the class. ... This was a very hard fought case. You had very able, superb opponents, and they put you to your task. ... The trial work was beautifully done and I believe very efficiently done."

Patrick's speaking engagements include interviews by NBC and the CBC regarding securities class actions, and among others, a presentation at the November 2009 State Association of County Retirement Systems Fall Conference as the featured speaker at the Board Chair/Vice Chair Session entitled: "Cleaning Up After the 100 Year Storm. How trustees can protect assets and recover losses following the burst of the housing and financial bubbles."

Patrick is a 1987 graduate of the Washington College of Law at American University in Washington, D.C., where he was a Dean's Fellow, Editor in Chief of the *Administrative Law Journal*, a member of the Moot Court Board representing Washington College of Law in the New York County Bar Association's Antitrust Moot Court Competition, and a member of the Vietnam Veterans of America Legal Services/Public Interest Law Clinic. Upon graduating, Patrick served as the Pro Se Staff Attorney for the United States District Court for the Eastern District of New York and was a law clerk to the Honorable Joan M. Azrack, United States Magistrate Judge.

Patrick is admitted to practice in New York and Illinois; the United States District Courts for the Southern and Eastern Districts of New York, Northern District of Illinois, Northern District of Indiana, Eastern District of Wisconsin, District of Colorado, and Western District of Pennsylvania; the United States Courts of Appeals for the First, Fourth, Sixth, Seventh, Eighth, and Ninth Circuits; and the United States Supreme Court.

Jennifer Banner Sobers

Jennifer Banner Sobers is Of Counsel to the Firm.

In 2021, Jennifer was honored as a Super Lawyers® “Top-Rated Securities Litigation Attorney”. She was also named a 2020 Rising Star by Super Lawyers®, Law360, and the *New York Law Journal*, all separate and highly competitive awards that honor attorneys under 40 whose legal accomplishments transcend their age. After a rigorous nomination and vetting process, Jennifer was honored in 2019 and 2020 as a member of the National Black Lawyers Top 100, an elite network of the top 100 African American attorneys from each state.

Jennifer played an integral role on the team litigating *In re Petrobras Securities Litigation*, in the Southern District of New York, a securities class action arising from a multi-billion-dollar kickback and bribery scheme involving Brazil’s largest oil company, Petróleo Brasileiro S.A. - Petrobras. The Firm, as sole Lead Counsel, achieved a historic \$3 billion settlement on behalf of investors in Petrobras securities. Among Jennifer’s contributions to the team’s success were: managing the entire third-party discovery in the United States, which resulted in the discovery of key documents and witnesses; deposing several underwriter bank witnesses; drafting portions of Plaintiffs’ amended complaints that withstood motions to dismiss the claims and Plaintiffs’ successful opposition to Defendants’ appeal in the Second Circuit, which resulted in precedential rulings, including the Court rejecting the heightened ascertainability requirement for obtaining class certification that had been imposed by other circuit courts; and second chaired argument in the Second Circuit that successfully led to the Court upholding the award of sanctions against a professional objector challenging the integrity of the settlement.

Jennifer played a leading role in *In re Toronto-Dominion Bank Securities Litigation*, an action in the District of New Jersey alleging a multi-year fraud arising from underlying retail banking misconduct by one of Canada’s largest banks that was revealed by investigative news reports. Jennifer undertook significant work drafting the briefing to oppose Defendants’ motion to dismiss the claims, which the Court denied. She oversaw the discovery in the action, which included, among other things, heading the complicated process of obtaining documents in Canada and being a principal drafter of the motion to partially lift the PSLRA stay in order to obtain discovery. Jennifer successfully presented oral argument which led to the Court approval of a \$13.25 million class-wide settlement.

U.S. District Judge Noel L. Hillman, in approving the *Toronto-Dominion Bank* settlement, stated, “I commend counsel on both sides for their hard work, their very comprehensive and thoughtful submissions during the motion practice aspect of this case. I paused on it because it was a hard case. I paused on it because the lawyering was so good. So, I appreciate from both sides your efforts.” He added, “It’s clear to me that this was comprehensive, extensive, thoughtful, meaningful litigation leading up to the settlement.” Singling out Pomerantz’s role as lead counsel, the judge also said, “This settlement appears to have been obtained through the hard work of the Pomerantz firm... It was through their efforts and not piggybacking on any other work that resulted in this settlement.”

Jennifer was a key member of the team litigating individual securities actions against BP p.l.c. in the Northern District of Texas on behalf of institutional investors in BP p.l.c. to recover losses in BP's common stock (which trades on the London Stock Exchange), arising from BP's 2010 Gulf oil spill.
